

Nations Bless Israel – 29 April 2018

It is a powerful thing to come into agreement across nations and around the world.

To see God's name lifted up – His name made great in every place. (Mal 1:11)
To consecrate ourselves and our nations to God, to come into His alignment and calling.
To stand together to bless Israel and to be in agreement for His end time purpose.

Thank you for considering taking part on behalf of your nation, in nations blessing Israel.

The Significance of the Date 29 April 2018

- God clearly spoke the date of the event, and later we saw the significance it carries.

2018 is the 70th anniversary of Israel's formation in 1948.

Israel's Independence Day celebrations begin 18 April, and will go for 70 hrs till 20 April - 14 May is the date on the Gregorian calendar of the founding of Israel.

Something very special is in store as brother and sister nations take the opportunity to send blessing to Israel, the miracle nation born in a day.

29 April 2018 is Pesach Sheni, or second Passover.

This relates to King Hezekiah - 2 Chronicles 30

Hezekiah called for all of the 12 tribes from throughout the land of Israel and Judah to come together at Jerusalem to worship. One month after Passover was normally held, it became a gathering where unity and humility was shown, and although not everything was completed in exact accordance with the regulation of the law, the Lord received their offering. In unity and heart they had pleased the Lord. False altars were torn down, and God was honoured.

19 April – 1 May is a 13 day period of great importance in the occultic calendar

We are not impressed by the enemy or his works, but we are wise to the fact that there are days and times of importance in the occultic calendar, at which times there is an increase of activity and sacrifices.

This year the celebrations for Israel's anniversary lie on the start of this period. The day the Lord showed us to hold the event, 29 April sits on the eve of 30 April, a very important day globally for occultic rituals and sacrifices. Called Walpurgis night - it's a time when bonfires are lit and is known as a "second" Halloween.

30-1 April has significance globally for druids and for the illuminati.

(There is a form of Walpurgis night that is celebrated as a festival with Christian & springtime connotations, we are looking at what is observed in the occultic calendar).

In Jewish understanding the day begins on the evening before – so as we meeting at 7pm 29 April - we are gathering on the 30th April! We will be releasing a true sacrifice and worship the Living God, giving glory to Him around the globe.

Although we will not be acknowledging or confronting the occultic / or demonic powers in the gatherings, we know that as we stand together as those who love and worship God, we are taking authority over a portal of time. His Kingdom come on earth as it is in heaven.

Nations Bless Israel has a simple and clear mandate

– what we are & what we are not

We are calling Christians to join together in love and unity to worship God and to Bless Israel. We are standing firmly on this ground together – because this is the mandate the God gave, and we are staying within His lines.

Although there are many things that could be said and done, we are not turning this into a political rally, a celebration of Jewish culture or traditions or any other type of event....in this instance our presence will be a testimony for our nation and national leaders, our love will communicate to Jewish people in ways that words can not. We are maintaining the spirit of the event so that the Holy Spirit can do through this all that the Father intends to bring forth.

We are sending out a sound from the ends of the earth to Israel, and it is a sound that is clear and sweet. We are in one heart and unified we are speaking with one voice as a nation, yes and amen to the call God has given – we bless Israel.

Our unity is vital:

As we stand in unity, God commands a blessing. (Ps 133).

As we join in agreement, we increase the power of what is put to flight.

We are joining - many places, cultures, churches & organisations; one nation.

We are standing locally to agree nationally.

Invite people from across the community

We are laying out the welcome mat, bringing down barriers and creating the opportunity to come together. Whoever wants to will come, but we don't want to exclude anyone from the invitation. We are making a path of peace, creating an opportunity for many who haven't previously been sure about Israel, take the step to bless.

Our Love speaks volumes:

We will do our utmost to have an excellent evening, but the power in the event is the people gathered in His name, with His heart, for His purpose – not in the performance.

It's the sincerity of our humility and heart to bless that is the power of the event.

People around the nation, Jewish people in Israel, will know we are followers of Christ by our love.

As we speak to people about the evening:

Emphasise the simplicity of the purpose

- our purpose is to release blessing, not to focus on the complexity of the issues relating to Israel, or Israel and Palestine... As we bless we put things in God's hands to work out all things according to His will and His purpose. He is the judge and ruler of nations. As we bless God will change the atmosphere over our nation. God will work in our nations, and He will bless our obedience.

Speak of what we are for, not what you are against

- we are blessing Israel, we are not against Arab people. We are seeking that His will be done and His kingdom come. God is the God of all nations, who will judge all people's. God does not wish that any would perish. We are called to bless those who curse us, we are to love our enemies...we have not option to hate, we are called to love. We are blessing not cursing.

Prophetic significance of the call

Over the last weeks God has been revealing many things about a call to see a wave of worship to God and blessing to Israel released around the globe. We want to take note and lay hold of what the Holy Spirit is already showing and be tuned to hear and see all that He wants to reveal. Key aspects are becoming clear:

Malachi 1:11 'For from the rising of the sun, even to it's going down, my name shall be great among the gentiles: In every place incense shall be offered to my name, and a pure offering for my name shall be great among the nations, says the Lord of Hosts.'

Genesis 12:3 'I will bless those that bless you..
